A copy of the agenda will be available at the Department of Transportation, Transportation Planning Division, 2901 West Durango Street, Phoenix, Arizona, at least twenty-four (24) hours in advance of the meeting. Questions may be directed to (602) 506-4608.

Maricopa County has an aggressive strategy to provide accessibility for all citizens to its programs, activities, and services, as required by the American with Disabilities Act (ADA). The County's ADA Transition Plan, which defines architectural modifications needed in more than 250 building sites, has been completed. Removal of accessibility barriers is underway, and we are working with building owners to achieve compliance at leased facilities. Accessibility will be assured programmatically until construction has been completed. The Maricopa County Self-Evaluation is in progress. Our ADA compliance efforts are overseen by a Citizens Advisory Council. A sign language interpreter, alternative format materials, or infrared assisted listening devices are available with seventy-two (72) hours' notice. Additional reasonable accommodations will be made available to the extent possible within the time frame of the request.

Dated this 29th day of September 1999.

Janet Bell-Masters, Transportation Planning Division
Maricopa County Department of Transportation
